Principal's Message

Dear King Park families,

Welcome to week 9! I can't believe this is the last newsletter for term 2. The year is flying by! I have a couple of reminders for everyone:

Parent Teacher Interviews

These are on next Wednesday afternoon for all classes except 1N and 3/4T. 3/4T have already had their interviews and 1N interviews are being held on Tuesday 22d June.

Please book your interviews via the Sentral Parent Portal. A note has come home today explaining how to do this and there are also notes on Skoolbag with instructions. If you get stuck please ring the ladies in the office and they will book in for you.

Please take this opportunity to meet with your child's class teacher. All teachers want to meet with parents, put a face to the name, and have a short conversation about your child's achievements and areas for development. The meetings are only short (10min) and if you have more than one child we can try and get your interviews in sequence.

If you require an interpreter, please let the office know and this can be arranged - 96047691

Thank You Afternoon Tea

We will be holding a thank you afternoon tea for all our parent and community volunteers who helped for our Colour Explosion. No matter how big or small your contribution was, all parents are invited to join us for afternoon tea in the hall on Tuesday 22nd June at 2pm. Please RSVP on 96047691 so we have numbers for catering purposes.

Lost property

We are gathering quite a lot of lost property. If names are found on items they are returned to the child. We have so many items without names – mostly school jackets, and some brand new. If your child has lost a jacket, please come and check out lost property via the school office. All items unclaimed by the end of term will be washed and sold off as second-hand uniforms.

Parking

Please be considerate and careful when parking on streets around the school. Some parents are parking across driveways in the mornings and afternoons and homeowners cannot access their driveways. Please be mindful to park legally and respectfully near the school.

Attendance

It is so important for all students to be at school every day unless they are sick. It is equally important that students come to school on time. The rolls are marked first thing in the morning. Students coming to school late and not coming to collect late slips from the office are marked away. If you are late you must collect a late note so that your attendance can be recorded.

Why attendance matters

When your child misses school they miss important opportunities to:

Learn

Make friends

Build skills through fun

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just...

they miss weeks per year

and years over their school life

1 day per fortnight
 = **4** weeks  = Over **1** year missed

1 day per week
 = **8** weeks  = Over **2.5** years missed

Art Exhibition

On Tuesday 8th of June, the Annual KPPS Art Exhibition was opened. It was an inspirational event with Art displays ranging from paintings to multimedia (paint, oil pastels, printing on cardboard) as well as sculptures and a whole school collaborative display. Our Judge this year was Mrs Botic, she had a very tough job choosing our stage winners based on the concepts being worked on in class and the creative expression shown by each artwork. Thank you, Mrs Botic.

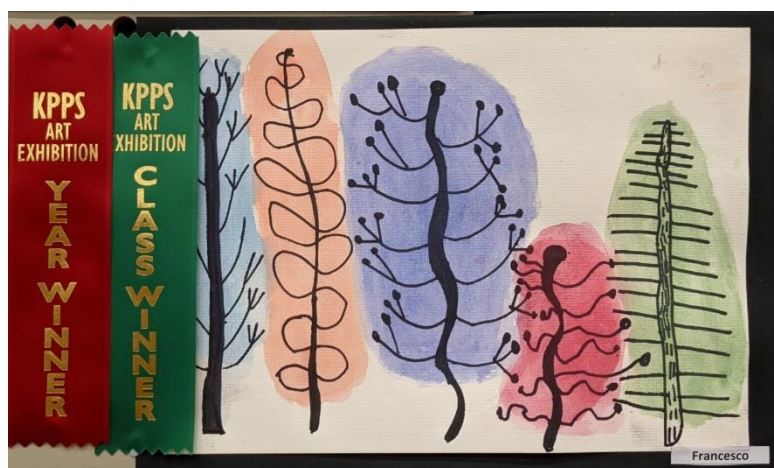

Congratulations to all our Class and Stage winners, also a big thankyou to the staff that have worked tirelessly to assist students in expressing their creativity. Stage winners:

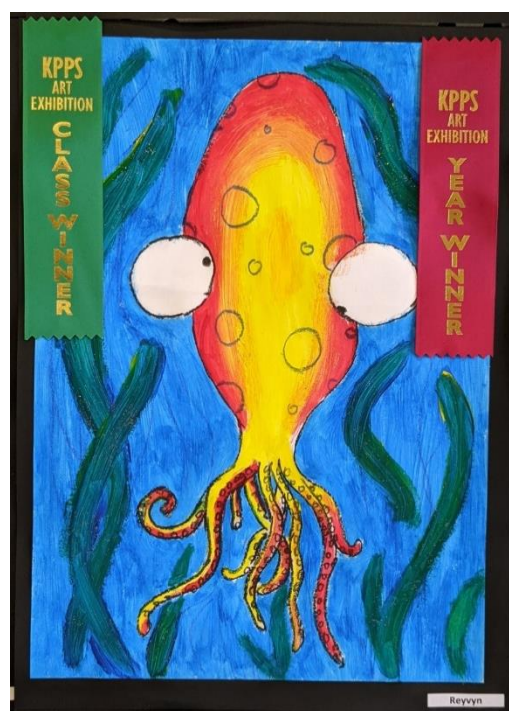

Early Stage One: Jolyan Alton from K-3L

Stage One: Evela Tomala from 2Z

Stage Two: Francesco Occhiuto from 3/4R

Stage Three: Reyvyn Bhana from 5/6C

King Park Debating

We had our second debate this week on Wednesday 16th June against Smithfield West Public School. It was our first-time hosting, and everything went smoothly! Our topic was “Why should we have the Olympic Games?” and we were on the affirmative side. We received positive results from the adjudicator and 2 of the Stage 2 classes enjoyed watching the debate too. Thankfully, we won this round as well! The students worked so hard, go King Park Debating team!

Sydney South West Cross Country Carnival

On Wednesday 9th June we had 4 students who competed at the Sydney South West Cross Country Carnival. Although the conditions were muddy, we had a very successful day with Billy and Charlotte finishing in first place, Aiden placing fourth and Harvey who placed in the top 30. Big congratulations to Harvey in competing in this carnival as he is only in Year 2. Great effort by all and King Park are proud of you. Best of luck to Charlotte, Billy and Aiden who will now compete in the State Cross Country Carnival.

Futsal Regional Championship

On Tuesday the 15th June we had three teams compete in the Futsal Regional Championship. Throughout the day each team played five games within the competition. Each team played with their own skill set and played their best in each game.

The Semi Finals consisted of two King Park teams playing against each other with the winning team progressing to play in the finals. Although they played well unfortunately did not win the final. The score was 3-2 and was a close game. Although they didn't win the final, they are invited to play in the State Championship in August.

Congratulations to all the students who played you did our school very proud. Thank you once again to Alex from Westfields and the parents for their continued support.

State Knockout Game 2

On Wednesday 16th June King Park travelled to Wilton to play against Wilton Public School. It was a lovely drive down towards the country town. The boys had a great start and came away with a win of 6-1. Congratulations to all the boys who played. We now once again wait to see who will play next in the competition. Thank you to Alex from Westfields and the parents for their continued support.
